

LeonTopia

BAND STORY

"

LeonTopia is laid-back acoustic music. Once thoughtful then hopeless, once political then autobiographical - but always with soul and addiction stories from real life are told.

After longtime experiences in several rock bands Leon Warnke decided to realize his songwriting-ideas single-handedly for now. Out of typical singer/songwriter-songs on the guitar in the course of time the unique LeonTopia-sound arised: Exclusively with acoustic-guitar and vocals you get calm ballads, but also grooving, forward-pushing songs to hear, while they all list over to rock music and therefore escape this folk-corset.

At the moment LeonTopia work on the debut-LP of dreams and nightmares which will scheduled be released in spring 2010 and include 10 tracks.
